(Application Enclosed)

Accreditation

Housing by ARC, Inc. is accredited by the International Council on Accreditation of Rehabilitation Facilities. Housing by ARC, Inc. has been accredited since 2017 and is proud to display the CARF seal.

CARF's mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process that centers on enhancing the lives of the persons served. Their vision is that through responsiveness to a dynamic and diverse environment, CARF serves as a catalyst for improving the quality of life of the persons served by CARF accredited organizations and the programs and services provided.

Community Residential Alternative Services

Community Residential Alternatives are available to individuals who require intense levels of residential support in small group settings of four or fewer or in host home/life-sharing arrangements. Services include a range of interventions that focus on training and support in one or more of the following areas: eating and drinking, toileting, personal grooming and health care, dressing, communication, interpersonal relationships, mobility, home management and use of leisure time.

Respite Services

Respite Services provide brief periods of support or relief for individuals with disabilities or their caregivers and include maintenance respite for planned or scheduled relief or emergency/crisis respite for a brief period of support for participants experiencing crisis (usually behavioral) or in instances of family emergency.
